

What You Need

12mm Pink Round Pearl Bead

Butterfly Paperclip (about 1 12/ inches by 1 1/2 inches) from Walmart or Office Supply store or on Amazon.

1/8 Inch Wide Ribbon

.What You Do

Slightly twist the ends of the ribbon to start threading it through the hole. Make sure the ribbon ends are even.

Use the loop end to push through the paperclip as shown.

Make a lark's head knot. Or pull the ends and bead through the loop and pull up snugly against the top of the paperclip center.

Make another knot on top of the bead.

Pull both ends of the ribbon through a loop and pull this knot up snugly against the top of the bead. You will have a knot on each side of the bead.

Make another knot near the ends of the ribbon. Trim the ends neatly on a diagonal.
